18. (Confidential - [REDACTED]) LIAISON Ted Ralston, Senate Select Committee on Intelligence staff, stopped by to ask for two additional bits of information regarding the Agency document denied the father of Frank Teru which was sought under FOIA. Ralston wanted to know if we could tell the Committee that the document had not been given to [REDACTED] or associated Latin America security services by CIA or by the liaison service which originally obtained it. I told Ralston I would inquire and see if we could release this information to the Committee.
